

An introduction to Equitation Science Clinic with Orla Doherty

Orla Doherty holds a degree in Veterinary Medicine, a Master's degree in Applied Animal Behaviour and Animal Welfare and an Associate Diploma in Equitation Science at the Australian Equine Behaviour Centre. She is the founder of The Animal Behaviour Clinic, giving talks and workshops on animal behaviour to veterinary surgeons, pet owners, and riders and trainers of horses. She is currently carrying out a PhD through the University of Limerick looking at horse - rider interactions, training methods and the origins of behaviour problems in the ridden horse.
